

Traveler's Checklist

Do I have:

_____ U.S. Passport or other recommended ID for U.S. citizens? (Carry it; do not pack it)
(Travel Section at U.S Department of State)

_____ Green Card or document for Lawful Permanent Residents? (Advance Parole if
LPR status is pending) (U.S Citizenship and Immigration Services)

_____ Notarized travel permission letters for minors traveling without their parents?

_____ Entry documentation for the country(s) I will be visiting? (Is a Visa required?)

_____ Only the medication that I need for my trip and in its original container?

_____ Receipts or registration paperwork for any new electronics, such as a camera or
laptop, that I'm taking with me? (Only suggested if traveling with recently purchased
goods. Not necessary for goods more than 6 months old.)

_____ Proof of Rabies vaccinations for my dogs if they are traveling with me? (Not
required for cats. Check for requirements regarding other pets.)

_____ Appraisals or receipts if I'm traveling with a lot of new jewelry?

_____ Valid driver's License? (Do I need an international driver's license in the country I
am visiting?) (International Driving Permit Instructions) or (AAA)

_____ An envelope to put all the receipts for my purchases? (This will make filling out the
CBP declaration easier.)
